Intentional songs create a specific mindset. They do so through conscious lyric, through being short, and through being repetitive. Much like a chant they serve to get the "monkey mind" out of the way, opening the door to calmness and focus.

These original intentional songs by Mark Stanton Welch can be used:

- to create a focus;
- as joy songs for a congregation to sing before the service;
- to change a thinking pattern and, thus, a belief
- to clear the mind for a meditation or guided journey
- as a meditation intro/mind set for a reflective time in a service;
- just for singing and reflection

Volume One Collection of over 50 lead sheets with words, chords, and melody is also available at musicforeversoul.com.

Nothing Ever Goes Wrong

Words and Music
Mark Stanton Welch

With a swing

The musical score is written on a single treble clef staff. It begins with a key signature of one sharp (F#) and a 4/4 time signature. The tempo/style is indicated as 'With a swing'. The score is divided into three systems, each starting with a measure number (1, 5, and 8). Above the staff, guitar chords are indicated with their letter names and fret numbers (e.g., C, A7, D9, G). Each chord is accompanied by a small guitar fretboard diagram showing the fingerings. The lyrics are written below the staff, aligned with the notes. The first system contains measures 1-4, the second system contains measures 5-8, and the third system contains measures 9-12. The lyrics are: 'In my world no - thin' e - ver go - es wrong it's all Di - vine it's in the flow no mat - ter what comes I'll re - mem - ber no - thin' e - ver goes wrong no no no in'. The score ends with a double bar line and repeat dots.

Chords: C, A7, D9, G, C, A7, D9, G, C, F7, C, G7
